About Boing Camps Online info: BoingGymnasticsCenter.com Or call: 215 257-4584

Boing is a family run kid's gym that's been flippin' and twistin' kids since 2002. Our six weeks of fun filled summer camps are jam packed with way more than just gymnastics. Your campers will love our fun themes like "Beach Blast", "Let's Get Messy", and "It's a Zoo in Here". Small, personal camps keep every camper busy with the perfect mix of swinging, balancing and bouncing as well as cool crafts, special surprises, games and more. Our goal is to give your campers the kind of summer they'll remember forever and you the peace of mind that they are laughing and learning in a safe and caring environment.

Who can come to camp?

Camp is open to all kids, aged 4 to 12, boys and girls, members or non-members. No gymnastics experience necessary. They just gotta be able to separate from mom without an emotional breakdown (that goes for mom too.) All campers need to be able to use the bathroom by themselves.

This year we have 6 fun camps to choose from

All camps run four days Monday thru Thursday from 9:00 to 12 noon

Beach Blast and Luau (June 19th - 22nd)

Get ready for a trip to the islands as we cannonball into a week of coconuts and surf boards. They'll be plenty of gymnastics for sure but also beach related crafts, island games and more. So get out those flip flops and come to the flip shop. This will be a splash of a good time.

Princesses and Pirates (June 26th - 29th)

Well, shiver "me" timbers and find me a glass slipper, it's time to hit the high seas and prepare the Grand Ballroom. Campers are going to love getting lost in a world of imagination this week. Between the flips and twist there will be all manner of nautical nonsense and royal rollicking to be had. We'll be dressing up and getting down as we make fun summer memories with our new friends.

Disney Adventures (July 17th - 20th)

Oh... where do we start? There will be so much to squeeze into this week as we explore the world of Disney characters. From songs to movies and back again. If you camper likes all things Disney they are going to love Boing Disney Adventures.

Let's Get Messy (July 24th - 27th)

Okay... we have to admit it, we are really looking forward to this one. You know all that fun, creative (sticky, slimy, yucky) stuff kids love to do that would totally trash your lovely house? Well, we are gonna do it this week. Don't send your camper in their summer finery. As the title suggests there will be messiness at hand. Messy crafts, messy games and messy mayhem! Slime? Oh yeh, there will be slime. Don't worry. Nothing will be permanent (except the messy memories of laughing and learning with all their messy mates.)

Gymnastics Gymnastics Gymnastics (July 31st - August 3rd)

So, this week we will be focused on... wait for it... GYMNASTICS! Hey it's what we do best after all. Sure there will be some fun games and other activities sprinkled in there too but mostly it's all about the flips and the twists this week. With Boing being the only gym around run by a former national team member and assistant coach to the US Junior Olympic Team you know your camper is in the right place.

It's a Zoo in Here (August 7th - 10th)

From the jungles of Africa to the rain forests of South America we will be celebrating the world of the fluffy, furry, scaly and slithery. You know we'll be swinging like monkeys (that's nothing new around here) but also expect creature crafts and goofy games too. Hey, we may even get a surprise visit or two from a four legged guest camper.
