7 SUMMER CAMPS 2025

OUR 23rd YEAR OF MAKING FUN SUMMER MEMORIES

What makes Boing camps so unique and special?

If you want your child to have a fun, creative summer in a caring environment away from the chaos of a large hectic camp then you think like us. We are a small family run gymnastics center with close ties to the Pennridge community for over 20 years. Camp is open to all kids, aged 4 to 11, boys and girls, members or non-members. No gymnastics experience necessary.

What does a typical day look like?

(We run well organized, fast paced camps so there is virtually no down time.)

- 9:00 Fun warm up activities (dragon tails, parachute, and other fun games)
- 9:20 Camp theme activities (crafts, challenges, games...)
- 9:50 Gymnastics rotations (3 stations of bars, beam, tumbling, tumble track etc.)
- 10:30 Snack break (we supply the yummy snacks)
- 10:45 Camp theme activities (challenges, games...)
- 11:45 Group activity (relay races, wacky baseball etc.)
- 12:00 Exhausted campers shuffle to the car and sleep all afternoon and you lay on the couch eating bonbons

What fun camps can we choose from? Camps run Mon thru Thurs, 9:00 to noon

Summer Celebration (June 16th thru June 19th)

Let's celebrate all things summer this week. There might be hula hoop lessons, fun beach sports, sidewalk art, giant bubble making, water balloon piñatas, a water balloon catapult, plus parachute surfing and even more of your favorite sunny day activities.

Animal Camp (June 23rd thru June 26th)

Explore and learn all about the wonderful world of animals. Between lots of fun games and gym activities we will also have animal themed crafts, challenges, and best of all, surprise visits from furry, scaly or feathered guests.

Let's Get Messy#1 (June 30th - July 3rd)

A little bit of science, a smattering of silly and whole lot of fun. You know all that fun, creative, sticky, slimy, yucky stuff kids love to do that would totally trash your lovely house? Well, we are gonna do it all this week. In the past we've made slime, blown up a watermelon with rubber bands, made tie dye creations, turned soda bottles into Mentos fountains and more, messy, messy more.

Gymnastics Camp (July 7 thru July 10th)

This week we will be focused on... wait for it... GYMNASTICS! Hey it's what we do best after all. Sure there will be some fun games and other activities sprinkled in there too but mostly it's all about the flips and the twists building to a fun finale at the end of the week. Medals and awards for all.

Team Challenge Camp (July 14th thru 17th)

Imagine what you'd get if you combined the TV shows Survivor and The Amazing Race, but for kids and without all the travelling. Campers will learn how to work together and succeed at all kinds of fun team challenges and games. The focus will be on building cooperation and teamwork.

Let's Get Messy#2 (July 21st - July 24th)

See "let's get messy #1 above for description

Outdoor Adventure Camp (July 28th thru July 31st) *Indoor activities will be lined up if it's rainy*

A week of adventurous challenges, games and activities. There'll be outdoor scavenger hunts, slacklining lessons, nature explorations, obstacle courses, boomerang throwing and more. All the BIG, fun outdoor stuff that builds confidence, curiosity and a love for being outside.

Note: All activities are examples and are subject to change

Camp Registration

One form per camper please

(additional forms for siblings at www.boingGymnasticsCenter.com)

Camper's Name *(Please use a separate form for additional siblings)*

Boy

Girl

Date of Birth

Parents' Names (Both names if applicable)
